# **AMPED UP FOR ARTISTS**

Dear friend and supporter:

Wiley House Concerts is a 501(c)(3) nonprofit organization planting new roots in the Clearwater, FL community in support of the performing arts, underfunded children's art programs, and bringing independent musical artists to the stage.

As you know, the recent pandemic brought live music and all in person events to a screeching halt leaving artists with no income to support their families and follow their passion. Many took to the streaming platforms and entertained us for FREE while fans watched safely at home.

Live Music is ready to return and WHC is proud to support the process and get more artists back on the road. Our upcoming "AMPED UP FOR ARTISTS" fundraiser is set to generate an income for direct support to our artists fees and providing in person live concerts safely from the new MUSIC4LIFE Living Arts Center in Clearwater.

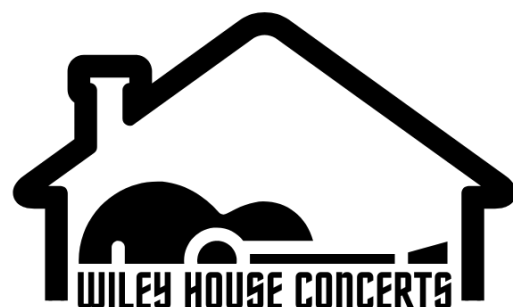

We invite you to join us in support by offering a \$500 sponsorship (options attached) or by donating an item to our silent auction. The auction will run for a minimum of 4 weeks before the event generating income, awareness, and exposure to your company across the country.

We thank you in advance for your support and of course welcome any donation support you can offer. We look forward to hearing from you.

\*Auction certificates and monetary donations can be made by mail to the address below. Visit [www.wileyhouseconcerts.org](http://www.wileyhouseconcerts.org) to learn more or offer an electronic donation.
